

Amani Health Initiative

Community health for mothers & children — Garissa, Kenya

Reg. No. NGO/KE/2018/04471 • P.O. Box 233-70100, Garissa • info@amanihealth.org.ke

GLOBAL HEALTH FUND

Call for Proposals — Maternal & Newborn Health (Round 3)

Deadline for applications: 30 September 2026, 23:59 EAT. Grant ceiling: USD 200,000 per award. Duration: up to 24 months. Eligible applicants: nationally-registered NGOs operating in Kenya, Somalia or Ethiopia with at least three years of health programming and audited accounts.

Thematic focus: reducing maternal and newborn mortality among underserved and displacement-affected populations.

Evaluation criteria (weighted): Technical approach and evidence base (30%); Organisational capacity and past performance (25%); Value for money and budget (20%); Monitoring, evaluation and learning (15%); Safeguarding and risk management (10%).

Required attachments: full proposal, detailed budget, logframe, latest audited accounts, registration certificate, and safeguarding policy.

Applications are submitted through the Kuja Marketplace. A completed Trust & Capacity assessment (Kuja Trust) is required before an application can be submitted.
